

Hey there, I'm Melissa.

*I really enjoy
trying and
learning new*

I always try to leave a good impression.

I'm crazy about the web, but I like connecting more.

I absolutely love getting to know people.

I work really hard and have so much fun doing it.

Hey there, I'm Melissa.

Awards and Recognition

*Team Detroit Summer and Fall Intern
Project Winner
August 2011, December 2011*

Collaborated with two different groups of interns in both the summer and the fall. In the summer we created a generation y ford consumer based project. In the fall we created a recruiting campaign to get millennials interested in Team Detroit. We presented our concepts to panels of judges and were announced the winners each time.

*Valassis Best in Class Intern Project Winner
August 2010*

Collaborated with two marketing interns to create a new product/service to help Valassis in the future. We presented our idea to a panel of judges at the Best of Class intern presentations and were announced the winners.

Work Experience

*The Park - Team Detroit Dearborn, MI
Graphic Design Intern
June 2011 - December 2011*

Collaborated and worked independently on multiple designs for client and in-house projects. Assisted designers in group brainstorming and image searching. Participated in the 2011 summer intern project.

*Volkswagen Sponsored Studio,
College for Creative Studies Detroit, MI
Student Designer
January 2011 - May 2011*

While collaborating with three other students, we were responsible for designing an experience for Volkswagen drivers that will be utilized in the next 5-7 years.

*Valassis Communications Livonia, MI
Creative Services Intern
June 2010 - October 2010*

Responsible for in-house and client projects. Participated in company meetings and critiques. Worked in teams to create designs and copy for projects. Also participated in the 2010 Best of Class intern project.

*Imaging Center,
College for Creative Studies Detroit, MI
Print Technician
January 2009 - May 2011*

Responsible for insuring that student and faculty prints are precise and accurate. Proficient in working with the Canon C1, Canon C6000, the Epson 9900 and the Epson 4880.
